

Are you over 50?

Keen to start your own business or to be self-employed?
Struggling with a new business?
Unemployed or facing redundancy?
Live in the South East?

If so, please see reverse for some free support...

Free help to start your business

South East England Chambers of Commerce together with the University of Surrey are offering limited places on their Silver Academy programme running from November 2010 to May 2011

The Silver Academy provides you with:

- Opportunity to take stock and consider your options in starting your own business or working self-employed
- Facilitation and guidance to help you choose the right option for you, set yourself up, attract clients/customers, deliver your service/products and successfully manage and grow your business to serve your lifestyle requirements
- A self-help manual and toolkit to work through the programme
- Seven one-day workshops held in Guildford, from November 2010 to May 2011
- One-to-one business clinics will be available with Surrey and Hampshire Chambers of Commerce volunteer business mentors
- Membership of a peer-to-peer support network
- Online and telephone support
- Opportunities to participate in peer-to-peer coaching and gain leadership experience

This project is funded by the EU and the University of Surrey through the EU PEOPLE mini-programme under the Interregional Cooperation programme INTERREG IVC. The Silver Academy is also being run at the same time in the regions of Andalucía, Spain and Malopolska, Poland.

For an application form please contact Emma Dewhirst on 01483 683495 or email e.dewhirst@surrey.ac.uk

Application deadline 15 October 2010

Only 100 places and its first come first served,
apply now to secure your place!
