

Short description of PEOPLE Sub-objective n°1

All subprojects have to be formulated from a gender approach taking into account the mainstreaming UE policies relating equal opportunities between women and men.

1. Sub-objective n° 1: Reconciliation of work and private life	
Aims 1.0	To produce and implement measures in the field of reconciliation of work and private life between women and men adapted to the social and demographic changes challenged by Europe.
Priority 1.1	<p>Production of European studies and analyses by means of the following actions or sub-objectives*:</p> <p><i>Priority 1.1a:</i> To study new family models and changes on European population from a gender approach and to produce new models of reconciliation from a gender approach adapted to these new family models.</p>
* All subprojects submitted to the sub-objective 1 are to be made in attainment of at least one priority	<p><i>Priority 1.1b:</i> To analyse new models of work organisation (flexible work, telework, periodic home working) from a gender approach.</p> <p><i>Priority 1.1c:</i> To study and produce gender indicators to evaluate the different gender impact of flexible work organisation.</p>
Priority 1.2	Implementation of awareness actions in the field of reconciliation of work and family life between women and men.

	<p><i>Priority 1.2a:</i> Raising awareness and inform companies about the new models of work organisation providing more time flexibility to men and women workers.</p>
<p>* All subprojects submitted to the sub-objective 1 are to be made in attainment of at least one priority</p>	<p><i>Priority 1.2b:</i> Raising awareness of the whole society in the field of equal share of responsibilities between both sexes to promote reconciliation of work and private life between women and men.</p>
<p>Outputs 1.0 <i>Recommended Outputs and Outcomes to be achieved in the Sub-project</i></p>	<ul style="list-style-type: none"> • Production of European studies and researches; • Production and Implementation of awareness actions in the field of reconciliation of work and family life; • Innovative models of work organisation from a gender approach; • Transferable models from a gender approach; • Policy recommendations from a gender approach
